

Enjoy your backyard or cottage this summer
Mosquito-Free

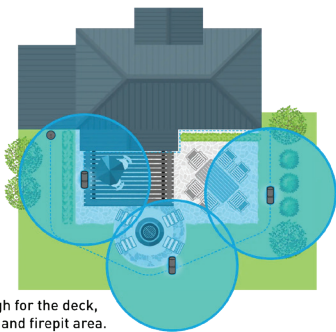

How Do Thermacell Products Work?

Easily create effective mosquito-repelling zones with a simple push of a button. Simply activate using the app on your phone, and stop worrying about mosquitoes for hours. It is a commercial grade mosquito repellent formulation- no charging required. No scent, no sprays, no chemicals on your skin.

Service Options Available

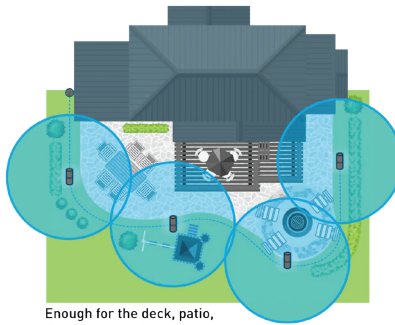

3 REPELLERS COVER 945 SQ FT

Enough for the deck, patio, and firepit area.
